On the night of October 30th, 2004, Douglas Burns and Michael Maynard were driving home from a team basketball practice in London and were suddenly struck by a train. Both of them suffered extreme brain trauma and were rushed to the hospital. Doug passed away the next morning and Mike passed on November 2nd. Both of them were loved by so many. They were truly an inspiration to anyone who knew them. Shooting For Angels is a 3 on 3 Basketball tournament/fundraiser for charity in honor of our friends, Mike and Doug. We began organizing this event early last year and we held the first Tournament in August of 2005. The tournament was a HUGE success!! We raised over \$20,000.00 for charity, and this year is looking to be twice as much of a success.

WHERE'S THE MONEY GOING?????

Every cent that is raised from the tournament is getting divided evenly between charitable organizations such as — Lawson Ministries, The Milton District Hospital, and BFO (Bereaved Families of Ontario)
